**Subject:** City Council Agenda - Request for Items to be added to Agenda

I would like to request that the following items be added to the City Council Agenda to be addressed as part of the General Session:

1. Summary of Consulting Fees Paid by Major Category (General Plan, Carbon Neutrality, CCA, Schools, etc.) and by Vendor for the current and past fiscal year. Should include what percentage this represents of General Fund Spending
2. Summary of actual Spending of Sewer Fee fund dollars since inception of Sewer Fee by Fiscal Year; Planned spend of this fund over the next two fiscal years. This should be broken down between maintenance versus capital improvement spending. In addition, the city was spending approximately \$750,000+ per year in sewer maintenance not out of the Sewer Fee Fund. Can we get an update on what this current spend is and if it is no longer needed due to the fund, where has this spend been re-directed?
3. An estimate of the City's Unfunded Liabilities including pensions broken down by major category (pensions, reserves, legal, etc.) and by service area (fire, police, etc.

Kind regards,

Tom Lewis
